Nissan Forklift

Nissan Forklift Training St Catharines - Nissan prides itself on reaching complete customer fulfillment when their client is enjoying one of their many trucks, cars or lift trucks. Nissan Forklift division is a wholly owned subsidiary of Nissan Motor Co. Ltd. They are committed to providing high value and meticulous quality values to their customers. Incorporating a prosperous heritage combined with resilient production principals, Nissan Forklifts offer a few of the finest materials handling equipment the industry has to offer.

Nissan Forklifts has recently added a European production warehouse in Sweden to sustain their worldwide forklift demands. Dedicated to delivering consumer support, the company has four independent production facilities that allow them to continually adapt to their customers continually evolving needs by providing a range of progressive ideas and designs.

Nissan Forklift operations for North and South America is based in Marengo, Illinois. Home to a team of 350 personnel, they are committed to the design, fabrication, and support of their forklift products. Using ISO standards (ISO-9001 and ISO-14001 certifications) this enables sectors of the Nissan Forklift Operation to sustain environmental responsibility by using systems and procedures that limit their environmental footprint. These high values remind consumers that Nissan operates under the quality seal that their clients demand whilst being an environmentally conscious organization.

Nissan is fairly confident that any of their consumers queries and customer worries directed towards them can be fully addressed. Always accessible through their website or by calling 800.871.LIFT, reaching one of their locally endorsed sellers or even traveling to their Midwestern facility, Nissan Forklift Corporation is confident you will be impressed with their warmth and commitment.
