St Catharines Crane Training Schools

St Catharines Crane Training Schools - Our different Mobile Crane Operation programs are meant for skilled operators who needs re-certification or certification, and for inexperienced individuals who are looking for their first work as an operator of a crane. Industry demand for certified crane operators is high all around the country. Crane operator positions are high due to their high rates of pay. Operators of cranes are amongst the highest paid of whatever operator of heavy machinery.

Our Crane Training Schools feature training and instruction for a wide variety of mobile cranes. Course content consists of Crane Set-up, Wire Rope, Load Dynamics, Lift Planning, Load Charts, Rigging, and Signaling.

The program is most suitable for crane operators, riggers as well as their supervisors. The materials incorporated in the course will consist of a manual and a lot of useful handouts. The illustrated safety instruction manual features 100 to 250 pages, which depends on the course, of essential and helpful material. Course materials consist of load exercises and load charts for the crane with which the trainee is working.

Hands-On Safety Training would take up over half of the course curriculum. The practical training section is the most effective method to improving and developing personal skill levels. Only licensed journeyman crane instructors are chosen to teach the courses. Our instructors have numerous years of practice in the business.

Optional testing mechanisms are offered for all of our courses. Students will usually write tests both prior to and following training. A test for skills is generally administered for programs which comprise H.O.S.T. People training will be tested and graded.

Certification Training Programs: Lattice Boom/Crawler Cranes; Fixed and Swing Cab Mobile Hydraulic Cranes; Rigging / Signalperson Certification and Training; Articulated Boom / Knuckleboom Cranes; Testing & Certification; and In-The-Seat Training.
